

A dynamic, high-speed photograph of water being poured from the top left, creating a large splash and numerous bubbles that spread across the bottom half of the frame. The water is a clear, vibrant blue, and the background is a soft, out-of-focus light blue.

WAYMAKER

WAYMAKER TECHNOLOGIES CORPORATION

***“PIONEERING WATER TREATMENT
SOLUTIONS PROVIDER”***

www.waymakertechnologies.net

ABOUT US

Waymaker Technologies Corporation, established in 2022, is a leading provider of innovative water treatment technologies based in Angeles City, Pampanga, Philippines.

We specialize in delivering a diverse range of high-quality, safe, and reliable water treatment solutions tailored to meet the unique requirements of our clients across the Philippines and the Asia-Pacific (APAC) region. Known for our commitment to excellence, our products are trusted locally and internationally, reflecting our dedication to advancing water treatment technology.

VISION

"To be the leading world class water treatment technology solutions provider in the Philippines and within Asia Pacific, setting the standard for excellence, quality, and integrity"

MISSION

"At Waymaker Technologies Corp our mission is to provide innovative, sustainable, and world-class water treatment solutions that exceed customer expectations.

We are committed to relentlessly pursue excellence in all aspects of our work, from product development to customer service. We continuously strive for improvement and aim to be at the forefront of technological advancements in water treatment.

Our commitment to customer satisfaction drives us to deliver exceptional value and service."

OUR CORE VALUES

1. **Excellence** - We have unwavering dedication to achieving the highest standards of quality, performance, and organizational growth

2. **Quality** - We maintain the highest standards of quality in every product and service we offer. Our rigorous quality control processes ensure that our solutions meet or exceed industry regulations and customer requirements.

3. **Integrity** - We conduct our business with the utmost integrity and honesty, upholding ethical principles in all our interactions. We build trust with our customers, partners, and employees through transparency and fairness.

4. **Customer-Centric Approach** - We prioritize our customers' needs and work closely with them to provide tailored solutions that address their unique challenges.

5. **Employee Empowerment** - We empower our employees to excel in their roles, fostering a culture of innovation and continuous learning. We recognize that our team's expertise and dedication are essential to our success.

6. **Social Impact** - We recognize our responsibility to contribute positively to society. We actively engage in initiatives that improve access to clean and safe water and support efforts to address global water challenges.

7. **Creativity** - Creativity is the driving force behind continuous improvement. We encourage our team members to think critically about their work, seek ways to enhance processes, and explore new horizons. Through this, we maintain our commitment to excellence.

By adhering to these core values and principles, we aim to fulfill our vision of being the foremost provider of water treatment solutions in the region.

PRODUCTS & SERVICES

We provide the following services:

- Gaseous Treatment
Odor Control / Wet Scrubbing / Biogas Desulfurization
- Waste Water
Recycled water / Package STP
- Water Treatment
Packaged potable system / Seawater Desal / ION Exchange demin water

We are highly specialised particularly in providing:

- Plant engineering design
- Plant process control
- Modular design & fabrication
- Electrical & instrumentation design
- Control Panels

STERILE WATER TREATMENT

*In industries like pharmaceuticals, biotechnology, and healthcare, even the slightest impurities or microorganisms in water can compromise product integrity and jeopardize patient safety. Ensuring a consistent supply of sterile, contaminant-free water is essential—and a significant challenge. Our **Sterile Water Treatment System** is the answer, delivering water that meets the highest purity standards, including **ISO 13959** and **AS 5369**, for the most demanding applications.*

TECHNICAL DATA SHEET

Performance Priority for end-user	Common Applications	Flow (GPD)	Typical Rejection	Min. Rejection	Membrane Model
Highest rejection of salts	High pressure boiler feed, High purity water	11,000	99.8	99.65	AG-400 H / 3150329
Highest rejection of salts	High pressure boiler feed, High purity water	12,000	99.8	99.65	AG-440 H / 3150328
Low energy consumption	2 nd pass RO, Drinking water	11,000	99.65	99.5	AK-400 H / 3150326
Low energy consumption	2 nd pass RO, Drinking water	12,000	99.65	99.5	AK-440 H / 3150327
Low energy consumption	Drinking water	10,000	99.5	99.0	AG-400 LE H / 3187569
Low energy consumption	Drinking water	11,000	99.5	99.0	AG-440 LE H / 3187650
Fouling resistance to challenging feed water	Wastewater applications requiring high TDS removal	11,000	99.8	99.5	AG-400 FR H / 3187651

DIAION RESIN PRODUCTS

PHYSICAL & CHEMICAL PROPERTIES

Property	Specification
Polymer Matrix	Polystyrene or acrylic, cross-linked with divinylbenzene
Functional Groups	Sulfonic acid, quaternary ammonium, carboxylic, phosphonic
Particle Size Distribution	Uniform particle size; customizable to application needs
Ionic Form as Shipped	Na ⁺ , H ⁺ , OH ⁻ , Cl ⁻ , or others depending on resin type
Moisture Retention (%)	Product-dependent; typical 40%-70%
Operating Temperature	SAC/SBA: up to 140; WAC/WBA: up to 95
pH Operating Range	0-14
Total Exchange Capacity	Up to 5.2 eq/L (depending on resin type)
Notes	Ensure proper pre-treatment to remove suspended solids and adhere to recommended linear velocity ranges typically 5-50 m/h

WAYMAKER TECHNOLOGIES CORPORATION
WATER TREATMENT SPECIALIST

WHY WAYMAKER?

LET'S BUILD A SUSTAINABLE FUTURE TOGETHER

WHY US?

Waymaker Technologies Corporation stands out as a leading provider of water treatment technology in the Asia Pacific region. Here's why partnering with us is the right choice:

- 1. Proven Expertise Across Borders**-With a strong track record of delivering water treatment systems and services to clients in the Philippines, Singapore, Malaysia, Papua New Guinea, and Australia, our experience and reliability speak for themselves.
- 2. Serving Diverse Industries**-We cater to a wide range of sectors, including Medical, Pharmaceutical, Semiconductor, Food & Beverage, and more. Our systems are designed to meet the specific needs of each industry, ensuring tailored solutions for our clients.
- 3. Local Strength, Global Quality**- Our factory in Angeles City, Pampanga, enables us to provide quick and direct support to our local clients. By building and testing all our equipment locally, we not only ensure high-quality standards but also contribute to the development of the local economy and workforce.
- 4. Commitment to Innovation and Sustainability**- We are known for delivering innovative, sustainable, and world-class water treatment systems. Our solutions are designed to address today's challenges while promoting a greener future.
- 5. Customer-Centric Approach**-Our dedication to excellence drives us to deliver exceptional value and service. This commitment is validated by our extensive track record of satisfied clients and successful projects.

Choosing Waymaker Technologies Corporation means choosing a partner dedicated to providing top-tier solutions, unmatched service, and a shared commitment to success.

SEC CERTIFICATE

REPUBLIC OF THE PHILIPPINES
SECURITIES AND EXCHANGE COMMISSION
2F Legislative Bldg. Tarlac City

COMPANY REG. NO.: 2022040048932-03

CERTIFICATE OF INCORPORATION

KNOW ALL PERSONS BY THESE PRESENTS:

This is to certify that the Articles of Incorporation and By Laws of:

WAYMAKER TECHNOLOGIES CORPORATION

were duly approved by the Commission on this date upon the issuance of this Certificate of Incorporation in accordance with the Revised Corporation Code of the Philippines (Republic Act No. 11232), which took effect on February 23, 2019 and the Foreign Investments Act of 1991 (Republic Act No. 7042, as amended), approved on June 13, 1991, and copies of said Articles of Incorporation and By Laws are hereto attached.

This Certificate grants juridical personality to the corporation but does not authorize it to issue, sell or offer for sale to the public, securities such as but not limited to, shares of stock, investment contracts, debt instruments and virtual currencies without prior Registration Statement approved by the Securities and Exchange Commission; nor to undertake business activities requiring a Secondary License from this Commission such as, but not limited to acting as: broker or dealer in securities, government securities eligible dealer (GSED), investment adviser of an investment company, close-end or open-end investment company, investment house, transfer agent, commodity/financial futures exchange/broker/merchant, financing/lending company, and time shares/club shares/membership certificate issuers or selling agents thereof; nor to operate a fiat money to virtual currency exchange. Neither does this Certificate constitute a permit to undertake activities for which other government agencies require a license or permit.

This Certificate DOES NOT AUTHORIZE INVESTMENT SOLICITATION AND INVESTMENT-TAKING WITHOUT A SECONDARY LICENSE FROM THIS COMMISSION.

As a registered corporation, it shall submit annually to this Commission the reports indicated at the back of this certificate.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of this Commission to be affixed to this Certificate at 2F Legislative Bldg. Tarlac City, Philippines, this day of 08 April Two Thousand Twenty Two.
